Bred from multiple generations of Versatile Champions and Master Hunters, this breeding, combines excellent pedigrees and is expected to carry on a tradition of excellence that has come to be expected. Both sire and dam are outstanding hunting companions as well as treasured members of our families.

Tref is both a NAVHDA Versatile Champion and an AKC Master Hunter. He is a 6th generation Utility dog, five of which are Prize 1's and a 5th generation AKC Master Hunter. At the 2002 Invitational he earned a maximum score of 200 points at 3 years and 3 months. He earned a Utility Prize 1 with a maximum score of 204 points at 2 years and 3 months. He earned a Natural Ability Prize 1, with 107 points. His dam is a NAVHDA Versatile Champion and earned Utility Prize 1 with 198 points. His sire earned a Utility Prize 1 with 202 points. His sire and dam are both AKC Master Hunters. He is owned by Tim and Shawn Clark.

Jessie's sire and dam are both NAVHDA Versatile Champions. Her sire earned Utility Prize 1, with 198 points and her dam earned Utility Prize 1, with 199 points. Her sire's parents both earned Utility Prize 1's with 204 and 201 points. Her dam is a product of Richard Johns and she was bred by Dan and Patti Griffiths. She is owned by Scott and Dawn Stevens.

If you are interested in a pup from this breeding between Tref and Jessie please call Scott or Dawn Stevens at (609) 242-2324 or (609) 618-7111/7114 for complete pedigrees, additional information, and photos. Special consideration will be given to NAVHDA families followed by those who truly want to make their new companions a part of their family. Email address is jscottstevens@comcast.net.
