### Test Update

The Del-Val Chapter will hold a Spring Test on June 7 and 8, 2003. The Spring Test will be a Natural Ability Test only. The Del-Val Chapter will hold its Fall Test on September 13, 2003 and September 14, 2003. The Fall Test will be a Natural Ability, UPT and Utility Test. The test fee will be \$75.00 for Natural Ability, \$80.00 for UPT, and \$85.00 for Utility. Please make checks payable to the Del-Val NAVHDA Chapter. Again Barbara Kissinger will be the Test Secretary. Please send all entries to:

Barbara Kissinger, 547 Bellevue Avenue, Penndel, PA, 19047

Keep in mind that a completed Test Entry is required prior to your being admitted to the test. If your entry is not complete, you will not be allowed to test and you may forfeit your test entry fee. A complete test entry includes a check for the appropriate test fee, a complete Test Entry Form and a photocopy of your dog's pedigree. If your dog's hips have been x-rayed, a photocopy of the hip evaluation should be included.

Please keep in mind that you must use an Official 2003 Test Entry form. You can download a copy off of the web page. Check out Forms Express. <http://www.navhda.org/testentr03.pdf>

It will be the chapter's policy to cash all test entry fee checks as soon as they are received. If you decide to withdraw from the test, your test entry fee will be refunded if your test slot can be filled. If your test slot cannot be filled, your entry fee will not be refunded. In the event the test is filled, you will be placed on a first come first served waiting list. If you decide to withdraw from the waiting list, your entry fee will be refunded. Once you agree to test, your entry fee will only be refunded if your slot can be filled.

**Important - Please note that each dog entered in a NAVHDA test must have either a NAVHDA Registration number or a NR number. If your dog is not NAVHDA registered, but has run in a NAVHDA test before, the dog's NR number is listed on the score sheet you received from NAVHDA. If your dog is not NAVHDA registered, and has *not* run in a NAVHDA test before, you must submit the following: 1) a copy of your dog's pedigree showing sire, dam, whelp date, breeder, owner and dog's official name. 2) An additional \$7.50 fee. Please see the NR# Application section on the NAVHDA 2002 Official Test Entry for details.**

### Training Clinic Update

The next Del-Val Training Clinic is:

April 27, 2003

Note: All clinics will be held at the Colliers Mills Wildlife Management Area. Please keep this list of dates. It is your responsibility to know when these clinics will be held.

The procedure for attending the clinics is the same as last year. You must call Bob Budin at (201)-440-1625 (home) by 10:00 PM on the Monday before the clinic date. You may also E-Mail bird orders to Bob Budin at [rbudin@nj.rr.com](mailto:rbudin@nj.rr.com). You can also order birds off of the chapter website <http://www.netlabs.net/hp/navhda/>. Any calls or E-Mail received after the 10:00 PM cutoff will not be accepted. Please call even if you are not ordering any birds for the clinic. We need to know who is coming so that we can plan the clinic. The practice of breaking up into smaller training groups worked very well last year. We plan on doing the same this year.

Also, please note that if you order birds and do not show up at the clinic, you will be charged for the birds. All clinics will start promptly at 8:00 AM. Please try to get to the meeting site by 7:30 AM so that fees can be collected and birds distributed. Remember to bring a bird carrier to hold your birds. It is also advisable to bring other equipment that you might need during the course of the clinic. Please note the clinic dates on your calendar. Both your International and Chapter memberships must be current for you to attend a training clinic.

In order to run productive and safe training clinics, and number of rules have been established. A copy of these rules is attached for your reference.

### **Chapter Membership**

It is time for Chapter Membership renewals to be submitted. A renewal form has been included as part of this newsletter. Please keep in mind that your membership must be current prior to your participating in any Chapter Activities. Please neatly print all information on the renewal form, particularly e-mail addresses, so that we can update our membership roster.

### **Club Hunts**

The Chapter will be holding one hunt this year at Springfield Hunt. The scheduled date for the hunt is February 9, 2003. Cost for the hunts are \$85.00 per hunt. Details are enclosed in this newsletter. Please remember that your Chapter dues need to be paid prior to your participating in the hunt.

### **E-Mail List**

**NORTH AMERICAN VERSATILE HUNTING DOG ASSOCIATION (NAVHDA)  
DELAWARE VALLEY CHAPTER**

January 2003

Dear Chapter Members,

This year the Chapter has scheduled one (1) half-day hunt at Springfield Hunt. The date is February 9, 2003. A cost breakdown and rules for the hunt are listed below. Please keep this letter for future reference, as this will be the only notice issued to the membership.

***HUNT COSTS***

1. The cost is \$85.00. This includes lunch, coffee, soda, and the stocking of the birds. Please note that lunch will be served at 12:00 PM, as the hunt will commence at 1:00 PM. Please wear your hunting clothes as Springfield does not have a large clubhouse and a locker/changing area is not available.
2. All hunt reservations must be paid in full prior to the day of the hunt. Therefore, I must receive your reservation and payment for the hunt by January 31, 2003.
3. The hunts will be limited to 20 members/guests.
4. **Chapter and National dues must be paid prior to attending a Chapter function.** In previous years, I have been forced to handle hunt fees and Chapter dues on the day of the hunt. This has occasionally led to the problem where I inadvertently did not credit someone for paying their Chapter dues. Therefore, your 2002 Chapter dues must be sent to me and your National Membership must be current prior to participation in the Chapter's hunts or training clinics! There will be no exceptions due to the requirements of the National's insurance policy.

***HUNT RULES***

1. It is the Preserve's policy that hunting parties must contain a minimum of 2 hunters and a maximum of 4 hunters. In addition, it is the Preserve's policy that only 2 dogs be used at any given time per hunting party.
2. We will be allowed to take any pheasants, quail, or chukars on the farm from previous stockings as part of our bag limit. The taking of rabbits and/or migratory game is illegal as our hunts are on Sunday. Please abide by State and Federal Game Laws.
3. The bag limit is 7 birds in any combination per hunter. Once your party bags its limit, you must leave the field for the day. No re-entry is permitted in order to allow your fellow Chapter members a fair chance at bagging their birds.

I hope you are having a safe and successful season and will be able to attend the February hunt.

Sincerely,  
Carl Mertens
